

Md. Samiur Rahman Sami

Network Support Engineer

Azimpur Road, Dhaka, 1205 | sami.bsl10@gmail.com | samiur96.github.io (portfolio) | +880 1898-838269

Professional Summary

Currently a Network Support Engineer with hands-on experience in routers, switches, OLT, and AP devices. I have experience in troubleshooting network issues and automating network tasks. I am currently aiming to get into cloud and IT security roles to build and maintain reliable systems.

Education

Barisal Polytechnic Institute, Barisal Sadar, Barisal	2021-2025
Diploma in Computer Science and Technology Expecting Final Result	
Barisal Technical School and College, Barisal Sadar, Barisal	2019-2020
SSC in Computer and Information Technology GPA 4.93 out of 5.00	

Experience

SSD Tech (Carnival Internet) Support Engineer	Kushtia Sadar, Khulna December 2025 – Present
• Provide reseller and client support for MikroTik, switch, OLT and AP related issues. • Troubleshoot network connectivity and service issues on-site and remotely. • Configure basic MikroTik services (Hotspot, DHCP, VLANs, PPP, NAT, firewall). • Assist with OLT subscriber connectivity and access network troubleshooting.	
IT Bangladesh Junior Support Engineer (Intern)	Mirpur, Dhaka September - November 2025
• Provided network support on Cisco and MikroTik devices. • Troubleshot hardware, software, and network issues for peers. • Supported lab setup and testing in GNS3 and Packet Tracer.	

Volunteer Experience

Rover Scout (Rover Mate), Barisal Polytechnic Institute	2021-2024
Associate Secretary Science & Technology (2023-2024)
